I was Ramona A. Stone
I started with no enemies of my own
I was an artiste
In a tunnel

But I've been having a mid-life crisis
And I've been dreaming of sleep
And ape men made with metal parts
I've spat upon deeply felt age

I've hid my hearts in
And I hate the funny colored English
We'll creep together, you and I
For I know who the small friends are

I am with name, I am with name
I am Ramona A. Stone
A night fear female, good timing drone

I am with name, I am with name
I am with name, I am with name
I am Ramona A. Stone

She should say
Twitch and stream, it'll end in chrome
The night of the female
Good time drone

I am with name
I am Ramona A. Stone
She should say

I am with name
I am Ramona A. Stone

A person who loses a name
Feels anxiety descending
Left at the crossroads between the centuries
A millennium fetish

I am with name, I am with name
I am Ramona A. Stone

I am with name

Night fear female, good timing drone

I am with name

I am Ramona A. Stone

(Give it to me one more time)

Anxiety descending

Anxiety descending
