I was Ramona A. Stone
I started with no enemies of my own
I was an artiste
In a tunnel
But I've been having a mid-life crisis
And I've been dreaming of sleep
And ape men with metal parts
I've spat upon deeply felt age
I've hid my hearts in
And I hate the funny colored english
We'll creep together you and I
For I know who the small friends are

(Song)

I am with name, I am with name
I am Ramona A Stone
A night fear female
Good timing drone
I am with name, I am with name

I am with name, I am with name
I am Ramona A Stone
She should say: twitch & stream
It'll end in chrome
Night of the female good time drone
I am with name
I am Ramona A Stone
She should say:
I am with name
I am Ramona A Stone

A person who loses a name
Feels anxiety descending
Left at the crossroads, between the centuries
A millenium fetish
I am with name, I am with name
I am Ramona A Stone
I am with name

Night fear female

Good timing drone
I am with name
I am Ramona A Stone

I am Ramona A Stone

Give it to me one more time!
Anxiety descending
Anxiety descending
