(Shake it, shake it what's my line?)
(Shake it, shake it what's my line?)

I feel like a sail-boat
Adrift on the sea
It's a brand new day
So when you gonna phone me

(Shake it, shake it what's my line?)

I could take you to heaven
I could spin you to hell
But I'll take you to New York
It's the place that I know well

(Shake it, shake it what's my line?)

Sitting on a flagstone talking to a faceless girl
(Shake it, shake it what's my line?)
And I wondering what to say but my eyes do the talking
so well

Duck and I sway
(What's my line?)
Shoot at a full moon
(What's my line?)
So what's my line, shake it, shake it baby
Shake it, shake it

'Cause love is the answer
Love's talking to me
I'd scream and I'll fight for you
You're better than money

(Shake it, shake it what's my line?)

We're the kind of people who can shake it if we're
feeling blue
(Shake it, shake it what's my line?)
When I'm feeling disconnected well I sure know what to
do
(Shake it, shake it what's my line?)

Shake it baby, shake it, shake it

Duck and I sway
(What's my line?)
Shoot at a full moon
(What's my line?)
So what's my line, shake it, shake it baby
Shake it, shake it

(Shake it, shake it what's my line?)
Shake it baby, shake it, shake it
(Shake it, shake it what's my line?)
Shake it baby, shake it, shake it
