Oh my, naked eyes
I should have kept you
I should have tried
I should have been more wiser
Kind of guy
I miss you

Give me wings
Give me space
Give me money for a change of face
Those noisy rooms and passion pants
I loved you

Where's the morning in my life?
Where's the sense in stayin' right?
Who said time is on my side?
I've got ears and eyes and nothing in my life

But I survive your naked eyes
I'll survive

You alone across the floor
You and me and nothing more
You're the great mistake I never made
I never lied to you
I hated when you lied

And I'll survive your naked eyes
I'll survive

People boys, all snowy white
Razzle dazzle clubs every night
Wished I had sent a Valentine
I loved you

I'll survive
Naked eyes
I'll survive

I'll survive
My naked eyes
I'll survive

I'll survive
Naked eyes
I'll survive

I'll survive
I'll survive
