The gospel according to tony day
The gospel according to tony day
The gospel according to tony day
If I find a girl he'll take her away
Rotten tony!

The gospel according to brendan o'lear
The gospel according to brendan o'lear
The gospel according to brendan o'lear
If I buy him a scotch, he'll buy me a beer
Tight fist, friends

The gospel according to pat hewitt
The gospel according to pat hewitt
The gospel according to pat hewitt
If it's written on a sweater then I'd better not, you do it

Ah

Got to, got to

Your mind, blow i
Blow it

The gospel according to marianne brent
The gospel according to marianne brent
The gospel according to marianne brent
She'll be mine if I pay the rent
Good old marianne, who needs friends, oh

That's the fucking time, take a look at my life and you'll
see
Take a quick, butchers, rotten mary down the oak
Wouldn't give me two pence for him
