The sun machine is coming down
And we're gonna have a party
The sun machine is coming down
And we're gonna have a party

The sun machine is coming down
And we're gonna have a party
The sun machine is coming down
And we're gonna have a party

The sun machine is coming down
The sun machine is coming down

The sun machine is coming down
And we're gonna have a party
The sun machine is coming down
And we're gonna have a party

The sun machine is coming down
The sun machine is coming down

The sun machine is coming down
And we're gonna have a party
The sun machine is coming down
And we're gonna have a party

The sun machine is coming down
The sun machine is coming down

The sun machine is coming down
And we're gonna have a party
The sun machine is coming down
And we're gonna have a party

The sun machine is coming down
The sun machine is coming down
The sun machine is coming down
