Skin dance back at the condo
Skin heads getting to school
Beating on Blacks with a baseball bat
Racism back in rule

White trash picking up Nazi flags
While you was gone, there was war
This is the West, get used to it
They put a swastika over the door

Under the God, under the God
One step over the red line
Under the God, under the God
Ten steps over the crazy crazy

Washington heads in the toilet bowl
Don't see supremacist hate
Right wing dicks in their boiler suits
Picking out who to annihilate

Toxic jungle of Uzi trails
Tribesmen just wouldn't live here
Fascist flare is fashion cool
Well, you're dead, you just ain't buried, yet

Under the God, under the God
Oh yeah
Under the God, under The God

As the walls came tumbling down
So, the secrets that we shared
I believed you by the palace gates
Now the savage days are here

Under the God
Yeah, yeah

Mmm, oh, oh, oh
Oh, oh, oh

Under the God, under the God
One step over the red line

Under the God, under the God
One step into the crazy, crazy

Crazy eyed man with a shot gun
Hot headed creep with a knife
Love and peace and harmony
Love you could cult with a life

Under the God, under the God
Raging down, raging down, down yeah
Under the God, under the God, oh
