Turn and turn again
Turn and turn again

I shake, and stare at the sun
Till my eyes burn
I shake, at the mothers brutal vermin
I shake, and stare at the watery moon
With the same desire
As the sober Philistine

And I shake
Turn and turn again
Worm, the pain and blade
Turn and turn again

The screw, is a tightening atrocity
I shake for the reeking flesh
Is as romantic as hell
The need to have seen it all
The voyeur of utter destruction
As beauty

I shake
Turn and turn again
Turn and turn again
I shake
Turn and turn again
I shake
I shake
I shake

Research has pierced
All extremes of my sex
Call it a day
Call it a day
Needle point life
Blinds the will to be next
Call it a day
Call it a day

Research has pierced
All extremes of my sex

Call it a day
Call it a day
Needle point life
Blinds the will to be next
Call it a day
Call it a day

Call it a day
Call it a day
Call it a day
