Grown inside a plastic box  
Micro thoughts and safety locks  
Hearts become outdated clocks  
Tickin' in your mind

Now it's time to close our eyes  
(Ahh)  
Now it's time to say goodbye  
(Ahh)  
Now it's time to face the lie  
(Ahh)  
That we'd never cry

What's really happening?  
(Ya, ya)  
What tore us apart?  
(Ya, ya)  
What's really happening?  
(Ya, ya)  
(Ya, ya)

What's really happening?  
(Ya, ya)  
What tore us apart?  
(Ya, ya)  
What's really happening?  
(Ya, ya)  
(Ya, ya)  
(Ya, ya)

All the clouds are made of glass  
And they're slowly sinking  
Falling like the shattered past  
Were we built to last?

What's really happening?  
(Ya, ya)  
What tore us apart?  
(Ya, ya)  
What's really happening?  
(Ya, ya)  
(Ya, ya)

What's really happening?

(Ya, ya)

What tore us apart?

(Ya, ya)

What's really happening?

(Ya, ya)

(Ya, ya)

(Ya, ya)

Now it's time to close our eyes

Now it's time to say goodbye

(Ooa)

Now it's time to face the lie

(Ooa)

That we'd never cry

What's really happening?

(Ya, ya)

What tore us apart?

(Ya, ya)

What's really happening?

(Ya, ya)

(Ya, ya)

(Ya, ya)

(Ya, ya)
