You always were the one that knew  
They sold us for the likes of you  
I always wanted new surroundings  
A room to rent while the lizards lay crying in the heat  
Trying to remember who to meet  
I would take a foxy kind of stand  
While tens of thousands found me in demand  
When you rock 'n' roll with me  
No one else I'd rather be  
Nobody here can do it for me  
I'm in tears again  
When you rock 'n' roll with me  
Gentle hearts are counted down  
The queue is out of sight and out of sounds  
Me, I'm out of breath, but not quite doubting  
I've found a door which lets me out!  
When you rock 'n' roll with me  
No one else I'd rather be  
Nobody down here can do it for me  
I'm in tears again  
When you rock 'n' roll with me  
Oooo-oo-oo-oo  
Oh, when you rock 'n' roll with me,  
There's no one else I'd rather be,  
oh  
Nobody down here can do it for me  
When you rock 'n' roll with me  
When you rock 'n' roll, rock 'n' roll with me  
No one else I'd rather, I'd rather be  
Nobody down here can do it for me  
I'm in tears, I'm in tears  
When you rock 'n' roll with me
