In my life I've never stopped
To worry about a thing
Opened up and shouted out
And never tried to see
Wondering if I'd done wrong
Will this depression last for long

Won't you tell me
Where have all the good times gone?
Where have all the good times gone?
Where have all the good times gone?

Once we had an easy ride
And always felt the same
Time was on our side
And I had everything to gain
Let it be like yesterday
Please let me have happy days

Ma and pa looked back on all
The things they used to do
Didn't have no money
And they always told the truth
Daddy didn't have no toys
And Mummy didn't need no boys

Won't you tell me
Where have all the good times gone?
Where have all the good times gone?
Where have all the good times gone?

Yesterday was such an easy
Game for you to play
But let's face it
Things are so much easier today
Guess you need some bringing down
Get your feet back on the ground

Won't you tell me
Where have all the good times gone?
Where have all the good times gone?
Where have all the good times gone?
