White light  
White light going messin' up my mind  
White light  
And don't you know  
it's gonna make me go blind  
White heat  
Oh, white heat,  
it tickle me down to my toes  
White light  
Lord have mercy,  
white light have it goodness knows  
White light  
White light going messin' up my brain  
White light  
Oh, white light it's gonna drive me insane  
White heat  
Oh, white heat,  
it tickle me down to my toes  
White light  
Oh, white light, I said now,  
goodness knows  
Do it  
Ooohhh-ooohhh, white light  
Oh, I surely do love  
to watch that stuff drip itself in  
Ooohhh-ooohhh, white light  
Watch that side, watch that side  
Don't you know gonna be dead and dried  
Ooohhh-ooohhh, white heat  
Yeah foxy mama,  
watching me walking down the street  
Ooohhh-ooohhh, white light  
Come upside your head  
Gonna make you dead hang  
on your street  
White light  
White light movin' me between my brain  
White light  
White light  
gonna make you go insane  
White heat  
Oh, white heat,

it tickle me down to my toes  
White light  
Oh, white light, I said now,  
goodness knows  
White light  
Oh, white light, it lightens up my eyes  
White light  
Don't you know  
it fills me up with surprise  
White heat  
Oh, white heat,  
tickle me down to my toes  
White light  
Oh, white light, I'll tell you now,  
goodness knows  
Now work it  
Ooohhh-ooohhh, white light  
Oh, she surely do move speed  
Ooohhh-ooohhh, white light  
Watch that speed freak,  
watch that speed freak  
Yeah, we're gonna go  
and make it every week  
Ooohhh-ooohhh, white heat  
Oh, sputter mutter  
Everybody's gonna go  
and kill their mother  
Ooohhh-ooohhh, white light  
Here she comes, here she comes  
Everybody get it gonna make me run  
Do it
