Everybody's raised in blindness
Everybody knows it's true
Everybody feels that
everything is real,
anybodys' point of of view
Nobody can break their bondage
Everyone can feel their chains

Who can I be?
Felled apart, you found me
Now can I be now?
You found me
Now can I be real?
Can I be?
Who can I be now?

Who can I be?
Felled upon, you found me

You found me
No-o-ow can I, can I be real?
Can I be real?
Can I be real?
Can I be?
[Who] can I be?
Oh babe, babe
[Now] Yeah, can I be [now]?
You found me
[Now] can I be free?
Can I...
