Love me, love me, love me, love me, say you do  
Let me fly away with you  
For my love is like the wind  
And wild is the wind, wild is the wind

Give me more than one caress  
Satisfy this hungriness  
Let the wind blow through your heart  
For wild is the wind, wild is the wind

You touch me, I hear the sound of mandolins  
You kiss me, with your kiss my life begins  
You're spring to me, all things to me  
Don't you know, you're life itself?  
Like the leaf clings to the tree  
Oh, my darling, cling to me  
For we're like creatures of the wind  
Wild is the wind, wild is the wind

You touch me, I hear the sound of mandolins  
You kiss me, with your kiss my life begins  
You're spring to me, all things to me  
Don't you know, you're life itself?

Like the leaf clings to the tree  
Oh, my darling, cling to me  
For we're like creatures of the wind  
And wild is the wind, wild is the wind  
Wild is the wind, wild is the wind  
Wild is the wind
