WILD IS THE WIND

- Album: Station To Station

Love me, love me, love me, love me, say you do
Let me fly away with you
For my love is like the wind, and wild is the wind
Wild is the wind
Give me more than one caress, satisfy this hungriness
Let the wind blow through your heart
For wild is the wind, wild is the wind

You touch me, I hear the sound of mandolins
You kiss me
With your kiss my life begins
You're spring to me, all things to me
Don't you know, you're life itself!

Like the leaf clings to the tree,
Oh, my darling, cling to me
For we're like creatures of the wind, wild is the wind
Wild is the wind

You touch me, I hear the sound of mandolins
You kiss me
With your kiss my life begins
You're spring to me, all things to me
Don't you know, you're life itself!

Like the leaf clings to the tree,
Oh, my darling, cling to me
For we're like creatures in the wind, and wild is the
wind

Wild is the wind
Wild is the wind
Wild is the wind
Wild is the wind
