(Bowie/Gabrels)

Just the twinkling lights of heaven  
Two reflections on the sparkling water  
Hand in hand in love with love  
uh-huh  
I love the cheap things that you say-a-say  
You belong in rock 'n roll  
You belong in rock 'n roll  
You belong in rock 'n roll  
Well so do I  
I love how she moves me  
It makes me feel alright,  
alright, alright, alright

I'm a hurt, I'm a hurt,  
I'm a hurting  
I'm a man with a beat in my pocket  
I'm going down to the rhythm of love  
I love the bad luck that you bring  
You belong in rock 'n roll  
You belong in rock 'n roll  
You belong in rock 'n roll  
Well so do I  
Alone on a mean street  
It makes me feel on fire, on fire, on fire, on fire, on  
fire...  
On fire, on fire, on fire, on fire, on fire

I love the cheap street in your walk,  
uh-huh  
You belong in rock 'n roll  
You belong in rock 'n roll  
Well so do I  
I love how she moves me  
It makes me feel alright, alright, alright,  
alright, alright...  
Oh-oh!
