You've got a habit of leaving me
And you've got a habit of deserting me
Sometimes I cry
Sometimes I'm so sad
Sometimes I'm so glad, so glad
You could go on if you wanted to,
wanted to, wanted to
Wanted to
Oh
If you wanted to, yeah
Oh huh
You've got a habit of leaving me
And you've got a habit of deserting me
Sometimes I cry
Sometimes I'm so sad
Sometimes I'm so glad, so glad
You could go on if you wanted to,
wanted, wanted to
Wanted to, ooh yeah, yeah
Oh, if you wanted to
If you wanted to, yeah, yeah
Wanted to
