Now, baby, you've been on my mind
Well, honey, you've been on my mind
Now, listen to me baby, you've been on my mind
I think about you almost all the time
Baby, you've been on my mind

And, baby, you've been good to me
Oh, honey, you've been good to me
Oh listen to me sweetie you've been good to me
you've been as much sweet as a girl could be
and baby, you've been good to me

Now, baby, it's all over now
Say, honey, it's all over now
Now, listen to me baby it's over now

I'm trying to leave you honey
But I don't know how
And, baby, I'm afraid it's over now

And honey, I think it's time to go
It's kinda late, kinda late ?? now I think it's time to go
Oh, listen to me baby it's time to go
We come our ways to say hello
oh baby, I believe it's time to go

and baby, you've been on my mind
oh honey you've been on my mind
well listen to me baby you've been on my mind
I think about you almost all the time
oh, baby, you've been on my mind
