

David Byrne "A Million Miles Away"

Visit "[A Million Miles Away](#)" on MotoLyrics.com

I ain't gonna work here no more
I ain't gonna work here no more
Honey, come and dance with me
'Cause I ain't gonna work here no more

I feel like I'm walkin' on air
I feel like I'm walkin' on air
I can see your house from here
And I feel like I'm walkin' on air

Oh - Oh
A million miles away from here
And I ain't gonna work here no more

You can't tell a man by his clothes
You can't tell a man by his clothes
A toad is a prince in someone's eyes
And you can't tell a man by his clothes

The stars gonna fall from the sky
The stars gonna fall from the sky
This time I think they've gone too far
And the stars gonna fall from the sky

Oh - Oh

A million miles away from here
And I ain't gonna work here no more

Oh - Oh
A million miles away from here
And I ain't gon' be treated this way

Some sunny day
I been waitin' so long
Gonna walk right on outa here
And I ain't gonna work here no more

We must have been out of our minds
We must have been out of our minds
Your own back side will let you down
And we must have been out of our minds

Oh - Oh
A million miles away from here
And we must have been out of our minds

Oh - Oh
A million miles away from here
And I ain't gonna work here no more
A million miles away from here
And I ain't gonna work here no more
