Talkin' funny and lookin' funny and talkin' 'bout  
"Nobody loves(?) me" you make yourself look bad.  
Help me somebody.

You need to take a good look at yourself and see if  
you're the kind of person that God wants you to be.  
It's no big thing, it's a small thing, what... people...  
think(?).

Help me somebody.

There's no escape from Him. He's so high you can't get  
over Him. He's so low you can't get under Him. He's so  
wide you can't get around Him. If you make your bed in  
Heaven He's there. If you make your bed in Hell He's  
there. He's everywhere.

Woo! Help me somebody. Woo! Help me somebody.
