Now and then I get horny  
At night you do  
At night you do  
Smile from side to side  
At night you do  
At night you do

She'll be comin' round the mountain  
Six white horses by her side  
No stops for gas, food or lodging  
She's wearin' nothin' but a smile

And though we struggle for our freedom  
Our need for others still remains  
We know what will make us happy  
We know what will ease our pain

We'll pretend we are married  
At night we do  
At night we do  
Slide your hand in mine  
At night we do  
At night we do

My bed is flyin' out the window  
I'm pullin' up my covers to the rain  
And down below cats are howlin'  
It's a family affair

They're sellin' vegetables on Broadway  
A man is runnin' for the train  
Strollin' down forty second street  
On our Independence Day  
Rub A Dub on fifty seventh street  
On our Independence Day  
Arm in arm on eighty second street  
It's our Independence Day

Hey mister, hey lady  
Hey sisters walkin' hand in hand  
We'll be lovers in the open  
We'll be lovers on Independence Day

Hand in hand, hand in hand  
Hand in hand on Independence Day

This compass points in two directions  
And north and south are both the same  
We'll look forward to the good times  
Come our Independence Day

Hey lady, you make me giggle  
We'll squiggle like honeymooners do  
I'm struck by lightnin', it's frightnin'  
So excitin' on Independence Day  
Uncle Vera, Auntie Ida  
Get so excited on Independence Day

Been waitin' such a long time  
Waitin' such a long time  
Waitin' such a long time  
Waitin' such a long time  
Till Independence Day

Waitin' such a long time  
Waitin' such a long time  
Waitin' such a long time  
And now it's here  
Independence Day

Waitin' such a long time  
Such a long time  
Such a long, such a long time  
Waitin' such a long time  
Till Independence Day

Waitin' such a long time  
Such a long time  
Such a long, such a long time  
And now it's here  
Independence Day

Waitin' such a long time  
Such a long time  
Such a long, such a long time  
Waitin' such a long time  
Till Independence Day

Waitin' such a long time  
Such a long time  
Such a long, such a long time  
Now it's here
