Yeah, we are the noise  
The noise between stations  
Yeah it's a kinda strange  
Oh boy! a strange situation

I walk like a building  
Never get wet  
I'm looking at ladies  
I'm talking like men

Don't work for the city  
I don't work for the state  
It's none of your business  
I'm doin' all right

Marching through the wilderness  
Crying out for tenderness  
They call me mr. pitiful  
But ev'rything is wonderful

I'm workin' real steady  
I'm workin' real hard  
I'm building a monster  
In my backyard

Money doesn't matter  
Babies never lie  
I'm going in the out door

I'm doing all right

Marching through the wilderness  
Crying out for tenderness  
They call me mr. pitiful  
But ev'rything is wonderful

I walk like a building  
I never get wet  
I'm looking at ladies  
I'm talking like men

Marching through the wilderness

Crying out for tenderness  
They call me mr. pitiful  
But ev'rything is wonderful

Marching through the wilderness  
Crying out for tenderness  
They call me mr. pitiful  
But ev'rything is wonderful

Soy el gal?? de las penas  
Llorando  
Sin compasiÃ§\_ ...
