Well, it ain't my fault  
My fault that things gone wrong  
And it ain't my fault  
Some things are sticking out

My big hands  
Keep my big hand to myself  
Tip toe, too  
Tip toe around the house

Come, come on in  
It's not, it's not like that  
Down, down we go  
Fall through, fall through the cracks

Well, I help myself  
Help myself to what I want  
Side by side  
Get stupid in the dark

Didn't get home  
Things broke down  
No sense  
Not at all

Come, come on in  
It's not, it's not like that  
Down, down we go  
Fall through, fall through the cracks
