How can I be sure  
In a world that's constantly changing  
How can I be sure  
Where I stand with you?

Whenever I, whenever I  
I'm away from you  
I want to die  
Cause I know  
I wanna stay with you  
How do I know  
Maybe you're trying to use me  
Flying too high can confuse me  
Touch me but don't take me down

Whenever I, whenever I  
I'm away from you  
My alibi is telling people  
I don't care for you  
Maybe I'm just  
Hanging around with my head up  
Upside down it's a pity  
I can't seem to find someone  
Who's as pretty and lovely as you

How can I be sure  
I really, really, really want to know  
I really, really, really want to know  
How's the weather  
Whether or not we're together  
Together we'll see it much better  
I love you, I love you forever  
You know where I can be found

How can I be sure  
In a world that's constantly changing?  
How can I be sure  
I'll be sure with you
