"Apprendre A Aimer"

j'ai beaucoup glissé, souvent trébuché a tomber en amour je suis mal tomber toujours

Mais je sens qu'aujourd'hui c'est la chance de me vie j'aimerai bien approcher cet amour qu'on m'a promis

je le sens c'est lÃ, a ma portéé même si je me suis blesse je n'veux pas y renoncer, oh non!

{Refrain:}
Mais plus j'apprends et moins je sais
ce que c'est que s'aimer
plus je m'approche et plus j'essaie
plus je peux me tromper
car je m'effondre, quand je cherche seulement a
m'envoler
veux tu m'apprendre a aimer ?

je n'veux plus me passer de ton corp de tes là vres je ne peux plus le nier tu es là dans tous mes rà ves

dis moi comment faire face à a ce grand mystÃ"re je veux être celui qu'il faut trouver les gestes, avoir les mots

je le sens c'est là à ma portée même si je me suis bléssé je n'vais pas y renoncer,non,non

{au Refrain}

je vais m'accocher me donner toutes les chances même si je me suis blessé je ne vais pas y renoncer,non,non

je le sens, je le sens c'est là à ma portée je le sens, je le sens c'est là à ma portée car je m'effondre, quand je cherche seulement a m'envoler veux tu m'apprendre à aimer?

{au Refrain}
car je m'effondre ,quand je cherche seulement a
m'envoler
veux tu m'apprendre à aimer ?
"Entre Ciel Et Terre"
Tu n'as rien à faire avec lui
Oublis cette amour qui meurt
Ces jours et ces nuits
A compter les heures

Viens IÃ

Si tu sens le désir Souffler sur ton coeur Tu peux tout me dire Surtout n'ai pas peur Car...

Entre ciel et terre A coeur ouvert Je saurais t'apprendre à nouveau Tout ce qu'il faut Tout ce qu'il faut faire

Entre ciel et terre Corps à découvert Je saurais pour aller plus haut Trouver les mots Les mots pour te plaire

Tu vois bien qu'il n'a rien compris Entre vous le silence Il paiera le prix De son indifférence

Et si l'amour est au rendez-vous Entre dans la cadence Prends tes jambes à mon cou Laisses parler tes sens Car... Entre ciel et terre A coeur ouvert Je saurais t'apprendre à nouveau Tout ce qu'il faut Tout ce qu'il faut faire

Entre ciel et terre Corps à découvert Je saurais pour aller plus haut Trouver les mots Les mots pour te plaire

J'ai envie de tes envies
J'ai envie de corps à corps
J'ai envie de tes envies
Allumer le feu qui te dévore
J'ai envie de tes envies
Envie qu'Ã l'aurore
Tu me cries
Encore

Je saurais comment faire oh...pour te plaire

Demain mieux qu'hier Ta peau contre ma peau Les mots pour te plaire Car...

Entre ciel et terre A coeur ouvert Je saurais t'apprendre à nouveau Tout ce qu'il faut Tout ce qu'il faut faire

Entre ciel et terre
Corps à découvert
Je saurais pour aller plus haut
Trouver les mots
Les mots pour te plaire

it's alright, it's OK

Lost, feelin' blue
Don't let life get you down
Though it's hard, 'cause I've been there too
found, finally free
Behind life's door was love
And I realized I held the key

So, it's all in your mind
The troubles you hold in your heart
Are imaginary kinds
Don't let them stand in your way
You'll soon find tomorrow's dreams
Will come true today

It's alright, it's OK
So I want you to listen, girl
When you hear me say
It's alright, it's OK
And there's nothing gonna stop us now
Blue skies are here to stay

Stop, can't you see, oh no It's your heartache that holds you back Love yourself, it sets you free

Go, have no fear Take a chance on your heart Don't look back, leave the shadows here So, it's all in your mind
The trginary kinds
Don't let them stand in your way
You'll soon find tomorrow's dreams
Will come true todayoubles you hold in your heart
Are ima

It's alright, it's OK
So I want you to listen, girl
When you hear me say
It's alright, it's OK
So there's nothing gonna stop us now
Blue skies are here to stay

Running up high Running down low Running out of time 'Cause I don't wanna go away like that, no, no

What you gonna choose What you gonna proove What you gonna lose 'Cause I don't wanna live my life like that

It's alright, it's OK
And I want you to listen, girl
When you hear me say
It's alright, it's OK
And there's nothing gonna stop us now
Blue skies are here to stay

It's alright, it's OK It's your time, make your way

It's alright, it's OK
And I want you to listen, girl
When you hear me say
It's alright, it's OK
And there's nothing gonna stop us now
Blue skies are here to stay

It's OK, oh, it's alright It's OK, it's OK

It's alright, it's OK
'Cause you know that we can't run away
It's alright, it's OK
'Cause you know that we can't run away

Oh, it's alright

"Jusqu'au bout"

J'ai, j'ai bien vu Ce que tu veux cacher Il est revenu, tu as pleuré Je suis celui sur qui compter Aurai-je besoins de le prouver?

Il suffira peut être
D'un coup du sort
Dit moi ce que tu souhaite
Plus et encore
Je sais tous les chemins par où aller
Laisse-moi seulement te montrer

{Refrain:}

Et s'il faut attendre que le temps passe Que la lune montre une autre face Je saurai tenir le coup Je t'attendrai jusqu'au bout J'ai trouvé un sens à ma vie Et s'il faut j'en paierai le prix Je t'attendrai jusqu'au bout {x2}

Viens n'aie pas peur de te rapprocher Viens lire dans mon cÃ..."ur comme je peux t'aimer Écoute un peu ce que tu sens J'ai toute ma vie je suis confiant

Il suffira peut être
D'un coup du sort
Dit moi ce que tu souhaite
Plus et encore
Je sais tous les chemins par où aller
Laisse-moi seulement te montrer

{au refrain}

Même si les distances nous séparent Je saurai continuer notre histoire Je t'attendrai malgré tout Je t'attends plus que tout {au refrain}
