You gotta surrender, throw your hands up
And give yourself away
You're not in danger, I'm taking you as
A prisoner of my love, oh yeah

Before I throw away the key
Just to keep you close to me
I have to say, it's worth the wait
If you give yourself to me

For you I have found myself
I feel I am someone else
For you I've found the truth in me

Lay down your arms
Don't fight with me
You know that I don't mean you harm
So just accept defeat

Lay down your arms
Just come with me
All is fair in love and war
It's time to be a prisoner of love

You gotta surrender, wave a white flag
Reveal yourself to me
I'll be waiting on the front lines
To set our two souls free

And if you're hungry I will feed you
With everything you need
And don't you worry, I'll protect you
My love will be your shield

For you I have found myself
I feel I am someone else
For you I've found the truth in me

Lay down your arms
Don't fight with me

You know that I don't mean you harm

So just accept defeat

Lay down your arms
Just come with me
All is fair in love and war
It's time to be a prisoner of love

That I need you so much
You can't run
You can't hide

For you I have found myself
I feel I am someone else
For you I've found the truth in me

Lay down your arms
Don't fight with me
You know that I don't mean you harm
So just accept defeat

Lay down your arms
Just come with me
All is fair in love and war
It's time to be a prisoner of love

Prisoner of love
I'm a prisoner of love
It's time to be a prisoner of love
Prisoner of love
I'm a prisoner of love
Oh yeah, for love
Prisoner of love
I'm a prisoner of love
Oh yeah, for love
