"A Dream"

One night I had a dream that everyone was happy
High fives, and people laughing drinking having good
times
Food for all, games to play, everyone, everyday

Hot air balloons, soar into the sky as pillow clouds roll
by
And butterflies go flapping to the rhythm of the happy
vibes
Sun shining, birds flying, melodies, and sacred breeze

People really knew the meaning of peaceful
All the young and old, everyone was jumping in the
swimming pool
At last, relaxed, its all so perfect

Then I woke up, and looked outside the window for a
sunrise
Rain is falling, a gloomy kind of day, doesn't feel so
right
But she yawns next to me, its love that I see, I do
believe this life is a dream
