I'm feeling kind of scared
Cuz I'm falling in love with you
But you don't care
Cuz you don't know how I feel
I don't want to give my heart to someone new
I've been there before and it's my heart she tore in two
Can somebody please stop me,
From falling for this girl
I don't want to have to go through love again
Cuz it always hurts
It's hard to look away
When you say the things that you say
I try to be so cold
But you melt the chill away
I don't want to give my heart to you
Cuz I'm afraid of what will happen
And the things that you'll do
Can somebody please stop me,
From falling for this girl
I don't want to have to go through love again
Cuz it always hurts

Oh I'm fighting oh so hard
To keep the feeling inside
But I don't think I can
I wanna hold your hand
This man is afraid of the outcome
Can somebody please stop me,
From falling for this girl
I don't want to have to go through love again
Cuz it always hurts, always hurts
Can somebody please stop me,
From falling for this girl
I don't want to have to go through love again
Cuz it always hurts, cuz it always hurts
Cuz it always hurts
I don't want to have to go through love again
Cuz I always end up, always getting hurt
