Just driving through
I missed you too
I feel a strange mood
Don't know if it's me or it's you
The buildings are different
Painted like new
And there are kids where I used to hang out
They're all different too

Amy Avenue is looking like a dream
You're in my mind but you have changed
The past seems not so far away
My old front yard just doesn't look the same
The little tree it got so tall
It's the only thing that hasn't moved at all

There are so many reasons why I miss my
neighborhood
I didn't want to grow up, back then, life was good
Oh I missed you... Amy Ave

To bike or to skateboard
For summer ice cream cones
And when winter rains hit the streets
Oh I wished it snowed
Why time loves to hide
As good times roll by
And before it you know
We're all getting old

Amy Avenue is looking like a dream
You're in my mind but you have changed
The past seems not so far away
My old front yard just doesn't look the same
The little tree it got so tall
It's the only thing that hasn't moved at all

There are so many reasons why I miss my
neighborhood
I didn't want to grow up, back then, life was good
Oh I missed you... Amy Ave
