Oh, oh, oh, oh, oh

I wake up early, get my coffee
My newspaper at the door
I feel great, and my mind is in a good place
Nothing that can make me feel any other way

I feel good today, you can't take this away
No you can't take this away
I feel good today, you can't take this away
No you can't take this away

I got my girl, my lemonade (my lemonade)
Acai bowl, and a little bit chocolate ain't so bad (no, no)
Let's take a stroll outside, and grab avocados off the
branch

I feel good today, you can't take this away
No you can't take this away (oh, oh)
I feel good today, you can't take this away
No you can't take this away

I'm feeling oh so blessed
I said goodbye to stress
Nothing's gonna bring me down
You know I made a choice
I'm gonna make some noise
Nothing's gonna bring me down, oh

I feel good today, you can't take this away
No you can't take this away (oh, oh)
I feel good today, you can't take this away
No you can't take this away (yeah, oh, oh)

I feel good today, you can't take this away
No you can't take this away
I feel good today, you can't take this away
No you can't take this away (no, no, no, no, no, no, no,
no, no)

I feel good today, you can't take this away
You can't take this away
