The day has come
For packing boxes
Dusty pictures with familiar faces
Put them down, better mow the lawn
Before the day is gone
One more look down the street
And playback all my memories
Goodbye, don't change a thing
I promise, I'll be back someday
I'll miss you, please don't fade away
Don't fade away
Oh clock, just stop for a second
I still see the kid inside the mirror
I'm all grown up, moving on
Life feels short, it used to feel long
The flying birds, reminds me
That sometimes we have to go
Goodbye, don't change a thing
I promise, I'll be back someday
I'll miss you, please don't fade away
Don't fade away

Gotta go, leave here by three

Something's waiting for me

Goodbye, don't change a thing

I promise, I'll be back someday

I'll miss you, please don't fade away

Don't fade away
