I kept all of my feelings locked inside of me,  
Finally found someone to trust with everything,  
Oh I try so hard always to be a man,  
But right now I just,  
I can't understand how I can't control.  
Oh, I think love's got a hold on me.

[Chorus: ]

Such a foreign feeling, but you knowÂ...  
I can get used to this, I can get used to this, I can get  
used to this now.

Comfortable and feels so real,  
I can get used to this,  
Stuck in this happiness.  
I can get used to this now, Yeah...

[Verse 2:]

I think this is the first time I've ever felt like this  
And found someone I would never want to miss.  
I feel like a child,  
I get butterflies,  
Sorry this is the only way to describe.  
Think I'll let it go,  
Let this love get a hold of me

[Chorus:]

Such a foreign feeling, but you knowÂ...  
I can get used to this, I can get used to this, I can get  
used to this now.

Comfortable and feels so real,  
I can get used to this,  
Stuck in this happiness.  
I can get used to this now. Yeah.

[Bridge: ]

Love feels so goodÂ...  
Better than I thought it would.

Such a foreign feeling, but you knowÂ...  
I can get used to this, I can get used to this, I can get

used to this now.

Comfortable and feels so real,  
I can get used to this,  
Stuck in this happiness.  
I can get used to this now.

La da da daa...
