Does it have to be one of those days  
When happiness wants to push me away  
As the dark clouds takes over the light  
How I feel alone tonight

And I wonder where in the world you are  
For all I know we could be miles apart  
And I want to hear your voice again  
Oh, I can't get over that I miss your love

Baby, I miss you more than words could say  
My heart beats, but it hurts more every day  
Oh baby, What I would give for one more day  
I'm feeling so alone  
How could I let you go  
Oh, If you were here I'd be okay

I can't deny that I'm still in love  
You're the only one I'm always thinking of  
And I hope that some day  
You could fall back in love with me

I'm sorry for just being wrong  
I'm sorry for the way we've become  
But I'm not that sorry  
For the way I've been feeling

Baby, I miss you more than words could say  
My heart beats, but it hurts more every day  
Oh baby, What I would give for one more day  
I'm feeling so alone  
How could I let you go  
Oh, If you were here I'd be okay

Oh, I don't know where you are  
And It's driving me so crazy  
Oh baby, where could you be?  
Just come here please

I just want to hear your voice  
Saying to me that you need me  
Cuz I need you and I miss you

Baby, come back to me

Baby, I miss you more than words could say  
My heart beats, but it hurts more every day  
Oh baby, What I would give for one more day  
I'm feeling so alone  
How could I let you go  
Oh, If you were here I'd be okay

Baby, I miss you more than words could say  
My heart beats, but it hurts more every day  
Oh baby, What I would give for one more day  
I'm feeling so alone  
How could I let you go  
Oh, If you were here I'd be okay
