Does it have to be
One of those days
When happiness wants to push me away
As the dark clouds
Take over the light
How I feel alone tonight
And I wonder where in the world you are
For all I know, we could be miles apart
And I wanna hear your voice again
Oh I can't get over that I miss your love

Baby, I miss you more than words could say
My heart beats
But it hurts more everyday
Oh, Baby, what I would give for one more day
I'm feelin' so alone, how could I let you go, oh
If you were here, I'd be okay

I can't deny
That I'm still in love
You're the only one
I'm always thinkin' of
And I hope that someday
You can fall back in love with me
I'm sorry for just bein' wrong
I'm sorry for the way we've become
But I'm not that sorry for the way that I've been feelin'

Baby, I miss you more than words could say
My heart beats
But it hurts more everyday
Baby, what I would give for one more day
I'm feelin' so alone, how could I let you go, oh
If you were here, I'd be okay

Ooh, I don't know where you are
And it's driving me so crazy, oh, Baby
Where could you be?
Just call me, please
I just wanna hear you're voice say to me
That you need me

'Coz I need you
And I miss you
Baby, come back to me

Baby, I miss you more than words could say
My heart beats
But it hurts more everyday
Baby, what I would give for one more day
I'm feelin' so alone, how could I let you go, oh
If you were here, I'd be oh. . .

Baby, I miss you more than words could say
My heart beats
But it hurts more everyday
Baby, what I would give for one more day
I'm feelin' so alone, how could I let you go, oh
If you were here, I'd be okay
