Laying in the green grass  
In an open atmosphere  
Staring at the blue sky  
With everything so clear  
With no one next to me  
I got nowhere else to be,  
But right here  
In a busy world  
Sometimes we forget to breathe  
Trapped inside the daily grind  
And that's all there seems to be  
Oh but there's more to it than that  
Take your time to just relax  
And feel the breeze  
Oh, Oh, Oh, just let go  
Oh, Oh, Oh, just let go  
Thinking about nothing  
A moment just for me  
Like the clouds up in the air  
A sacred kind of peace  
I gotta unwind myself

Close my eyes and just breathe

Oh, Oh, Oh, just let go

Oh, Oh, Oh, just let go

Tomorrow can wait for me

Tomorrow can wait for me

Oh, Oh, Oh, just let go

Oh, Oh, Oh, just let go
