Missing Piece Lyrics

By: David Choi

I feel like a boat without a sailor  
I go where the wind blows  
Just moving around like a lonesome stranger  
I got no home

In search of a treasure  
Some place I don't know  
It feels like forever  
I'm making my way  
Through the hills and deserts  
I thirst for hope

I don't know  
What I'm looking for  
But I'll know  
When I find it

There is a missing beat  
Inside of me  
The rhythm of my heart  
Hits unevenly  
There's a missing piece  
Inside of me

Trying to figure it out  
But it amounts to nothing  
I want to realize  
But nothing I find  
Ever feels like the real thing  
Can you empathize?

I don't know  
What I'm looking for  
But I'll know  
When I find it

Chorus

I'm lost inside

A cold bitter world  
I can't understand the need  
It's makes it so hard to breathe

Chorus
