And if the lights is goin downn walkin flashes baby  
It feels very good in here

2 X So many Girls so we need champagne  
Relaxed metane, Wait a Minute Let Me Do My Thing  
That I Still want still my drink

So Many girls! ( Asian Cocasion Asian Jamican )  
So Many girls! (Brazilian I Swear I Got A Million)  
So Many Girls! (Egyption Do You Fit At The Scription)

2 X Tell The Waiteress I Need Another Round You Hear  
The Bassline Coming To The Ground You Know It's On  
When You Make That Sound

Wall  
Screaming From The Windows To the Walls It Feels  
Good To Be A Star  
Got A Life Fore My Sigar
