Oh, tonight I'm feeling fine  
I'm alone, just wasting time  
No Friday movie nights  
Or romantic candle lights

I'm just having conversations  
With the thoughts in my head  
All I hear are angels crying  
Oh, won't they just sing instead  
It would be wrong for me to say

I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries

I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that  
I love her more than life  
More than life, Yeah  
Love her more than life  
Yeah, yeah, yeah

Honestly, this won't do  
How is she doing?  
I tell myself I'm feeling swell  
But I know I'm such a fool

I could take it as a new beginning  
But you know I don't feel that way  
Who will take all this pain away?  
I know it's wrong for me to say

I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries

I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that

I love her more than life  
More than life, Yeah  
Love her more than life  
Yeah, yeah, yeah

Talk about a sin  
Was the day I walked into the other side  
I would run back in  
I wouldn't waste no time  
I know it's wrong for me to say

I don't need that girl by my side  
I don't need that girl in my life  
I don't want to talk it out  
Or hold her when she cries

I don't want to say she's my kind  
I don't want to say that she's mine  
I don't want to tell her that  
I love her more than life  
More than life, Yeah  
Love her more than life  
Yeah, yeah, yeah
