Yo fui en la otra vida marinero

bebÃ todo el ron que me pusieron,

un amor en cada puerto tenÃa

y una rubia en cada porterÃa.

yo fui en la otra vida marinero,

ok my baby

el rey del dancing

un caradura,

el rey del dancing,

esta locura

ya no tiene cura.

my baby's got she's got luck

i get excited when my baby starts to rock

my baby's got she's got luck

i get excited when my baby starts to rock

right now

yo fui en la otra vida un hechicero

vivir era un vicio placentero,

inventaba lo que me apetecÃa,

lo pintaba todo de fantasÃa.

yo fui en la otra vida un hechicero,

everybody clap your hands

el rey del dancing

un caradura,

el rey del dancing,

esta locura

ya no tiene cura.

my baby's got she's got luck  
i get excited when my baby starts to rock

my baby's got she's got luck  
i get excited when my baby starts to rock

right now

dancing

everybody's got to rock,

dancing

put your hands on your head now  
do that,?.do that

dancing

put your hands in the air

everybody's got to rock

dancing

put'put your hands in the air, now  
do k?..
