She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
Who will dance on the floor in the round
She said I am the one
Who will dance on the floor in the round

She told me her name was Billie Jean as she caused a
scene
Then every head turned with eyes that dreamed of
being the one
Who will dance on the floor in the round

People always told me be careful what you do
Don't go around breaking young girls' hearts
My mother always told me be careful who you love
Be careful what you do 'cause the lie becomes the
truth, yeah

Billie Jean is not my lover
She is just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

For forty days and for forty nights the law was on her
side
But who can stand when she's in demand, her schemes
and her plans
'Cause we danced on the floor in the round
So take my strong advice
Just remember to always think twice
Do think twice

She told my baby we danced 'til three
And she looked at me, and showed me a photo
My baby cried, his eyes were like mine
Can we dance on the floor in the round

People always told me be careful what you do
Don't go around breaking young girls' hearts
But she came and stood right by me
Just to smell her sweet perfume
This happened much too soon

She called me to her room

Billie Jean is not my lover
She is just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
Not my son

Billie Jean is not my lover
She is just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid's not my son
Not my son
