You broke when I just bent
You cried; I never meant to break you down
This time, did I steal the best...of you

Can you breathe tonight
As the air is leaving you
Scream tonight
Like the words are new to you
Can we go back to the last time my arms could carry
you
Breathe tonight
You're alive

Lost; don't leave me in the dark alone
Shine a light
Cuz you're the road that got me home
Cuz I, I never knew that love was true
Did you

Can you breathe tonight

As the air is leaving you
Scream tonight
Like the words are new to you
Can we go back to the last time my arms could carry
you
Breathe tonight
You're alive

You broke when I just bent
Goodbye, but only if you're over it

Can you breathe tonight
As the air is leaving you
Scream tonight
Like the words are new to you
Can we go back to the last time my arms could carry
you
Breathe tonight
You're alive

You're alive
