I'll take you just the way you are
imperfect words inside the perfect song
I feel you closer than you are
I've been waiting far too long
too long

It's my declaration
to anyone whose listening
you're my inspiration
as I stand alone against the world
Cause you love

Can you bleed (?)
cause you stole my soul
and set me free
it's my declaration

do you care what i believe
or that i wear a heart upon my sleeve
sometimes i think you never knew
the only truth i see is you
it's you

It's my declaration
to anyone whose listening
you're my inspiration
as I stand alone against the world
Cause you love

Can you bleed
cause you stole my soul
and set me free
it's my declaration

And are there any words to say
that i would ever mean enough
when the light runs from the day
will the darkness be too much
will i ever be enough

it's my declaration
to anyone whose listening

You're my inspiration
as i stand alone against the world
Cause you love

Can you bleed
and you stole my soul
and set me free

It's my declaration
so tell me you can hear
these words tonight

It's my declaration
