Hey, hey, hey, hey
Ooh, oh

Won't you come see about me?
I'll be alone, dancing, you know it baby
Tell me your troubles and doubts
Giving me everything inside and out

And love's strange so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart, baby

Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me

Will you stand above me?
Look my way, never love me
Rain keeps falling, rain keeps falling
Down, down, down

Will you recognize me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down, down

Hey, hey, hey, hey
Ooh, oh

Don't you try to pretend
It's my feeling, we'll win in the end
I won't harm you or touch your defenses
Vanity and security

Don't you forget about me
I'll be alone, dancing, you know it baby
Going to take you apart
I'll put us back together at heart, baby

Don't you forget about me
Don't, don't, don't, don't

Don't you forget about me

As you walk on by
Will you call my name?
As you walk on by
Will you call my name?
When you walk away

Or will you walk away?
Will you walk on by?
Come on, call my name
Will you call my name?

I say, la la la
La la la... (repeat)
Will you call my name?
