Never really said too much  
Afraid it wouldn't be enough  
Just try to keep my spirits up  
When there's no point in grieving  
Doesn't matter anyway  
Words could never make me stay  
Words will never take my place  
When you know I'm leaving  
(Chorus)  
Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night  
A naked light, a fire to keep me warm  
Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone  
You know we've been down that road  
What seems a thousand times before  
My back to a closing door and my eyes to the seasons  
That roll out underneath my heels

And you don't know how bad it feels

To leave the only one that I have ever believed in

(Chorus)

Sometimes it feels like we've run out of luck

When the signal keeps on breaking up

When the wires cross in my brain

You'll start my heart again

When I come along

(Chorus)
