Never really said too much  
Afraid it wouldn't be enough  
Just try to keep my spirits up  
When there's no point in grieving  
Doesn't matter anyway  
Words could never make me stay  
Words will never take my place  
When you know I'm leaving  
[Lights On Lyrics On ]  
Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night  
A naked light, a fire to keep me warm  
Try to leave a light on when I'm gone  
Even in the daylight, shine on
