[VERSE]

Day in and day out
Watch 'em scream
Watch 'em shout
Through the silence
Through the silence
Give 'em ears give 'em eyes,
Give some point to the cries
And the violence
Oh, the violence
Hear 'em scream your name

[CHORUS:]

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him
Get the best of him

[VERSE]

This city feels low
Against the gleam and the glow
Of his diligence
To their elegance.
Just feel anger
Feel pain.
Feel the sun and the rain
Just feel something
Oh, feel something.
Hear 'em scream your name

[CHORUS:]

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him
Get the best of him

[BRIDGE:]

They throw the stones and bricks and bones
He didnt stand a chance they said
A little boy the world in show
But ignorance is bliss

[CHORUS x2:]

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him

I would like to introduce Mr. Sensitive
The one who never let the worst get the best of him

Get the best of him
