(coverdale)

You changed your reason with the wave of your hand...
Fill me with wonder - like a child
'cos you'll never understand...

It's a sin, not to say when it's over
It's a crime, to deny when it's gone
'cos you're fooling yourself, and nobody else
It's a sin, if you carry it on

If you wanna make love, ooh, you whisper my name
I say I never wanna use you for your love
But you tail me, and you make it, all the same

It's a sin, not to say when it's over
It's a crime, to deny when it's gone
'cos you're fooling yourself, and nobody else
It's a sin, if you carry it on...

'cos I'm a man
A peaceful lovin' man
And I'm so tired to hold it inside
When I feel, I gonna hide
Peace lovin' man,
Peace lovin' man
Peace lovin' man...

It's a sin, not to say when it's over
It's a crime, to deny when it's gone
'cos you're fooling yourself, and nobody else
It's a sin, if you carry it on

'cos I'm a man
Ohh, baby - I'm a man

Peace lovin' man
Baby, I'm just a man
Peace lovin' man
I can't use you anymore...

Peace lovin' man...
