Imagine me  
And you, I do  
I dream about you  
Day and night  
It's only right  
To dream about the girl  
You love  
And hold her tight  
So happy together

If I should call you up  
And pass the time  
Have you say  
You belong to me  
And ease my mind  
Imagine how the world  
Could be so very fine  
So happy together

I can't see me  
Loving nobody but you  
For all my life  
When you're with me  
Baby  
The skies'll be blue

For all my life

Me and you  
And you and me  
No matter how  
They toss the dice  
It has to be  
The only one for me  
Is you  
And you for me  
So happy together

I can't see me  
Loving nobody but you  
For all my life  
When you're with me

Baby  
The skies'll be blue  
For all my life  
So happy together  
So happy together  
So happy together
