Has our conscience shown?
Has the sweet breeze blown?
Has all the kindness gone?
Hope still lingers on.
I drink myself of newfound pity
Sitting alone in New York City
And I don't know why.

Are we listening
To hymns of offering?
Have we eyes to see
That love is gathering?
All the words that I've been reading

Have now started the act of bleeding
Into one.

So I walk up on high
And I step to the edge
To see my world below.
And I laugh at myself
As the tears roll down.
'Cause it's the world I know.
It's the world I know.
know.. The world I know.....
