Male:

It only took a kiss, to know this,  
baby im in love with you,  
one look, is all it took,  
to say i do.

And baby when you smile,  
Id walk a mile, oo just to be with you  
for a chance, at that glance,  
that says me too,  
so when it comes to those other guys,  
this may come as no surprise,  
I dont get jealous, I dont worry,  
Cause i love you

female:

It only took a kiss, But what a kiss,  
and baby i love you,  
What a look, o your look,  
that says i do,  
and baby i agree, id rather be,  
no where else but here my dear,  
theres no place,  
i feel so safe, than here with you.  
Its like finding a penny and picking it up,  
and all day youll have good luck.  
It only took a look, it only took a smile, it only took a  
kiss.

male:

It only took a kiss, to know this,  
baby im in love with you,  
one look, is all it took,  
to say i do.  
And baby when you smile,  
Id walk a mile, oo just to be with you  
for a chance, at that glance,  
that says me too,

Male female:

So please belive me when i say, id never felt this way  
and trust me with your heart,  
i knew right from the start.

male:

It only took a look, it only took a smile, it only took a  
kiss.

Female:

It only took a look, it only took a smile, it only took a  
kiss.

male female:

It only took a look, it only took a smile, it only took a  
kiss.
